The FOREWORD

The ill health of Gov. A. C. Shallenberger, necessitating the sale of his grand herd of Shorthorns, will be regretted by all who know of his great accomplishments in the field of pure bred live stock. For nearly forty years, he has been a moving spirit in the Shorthorn industry and no man has done more to further its interests, during that period, than he has done. During his long connection with the business of improving the breed of Shorthorns, he has kept abreast of the times or in advance of the march toward perfection.

In type, in breed character, in quality and in pedigree worth, Ashbourne herd is second to none. Hundreds of herds throughout this and other countries have been improved by the use of cattle of this breeding. Many more will be advanced by purchases made at this dispersal sale.

Attend the sale and avail yourself of the opportunity to select one of the famous bulls that head the herd, or a show and breeding bull with his life of usefulness before him, some outstanding matrons with which to improve the progeny of your herd or a heifer or two that you can show to first prize at leading fairs and then put into your herd as one of its most valued members.

The pedigrees in this catalog show conclusively that in the conduct of this herd, Governor Shallenberger has kept his herd up to the times and has adapted or created the latest development in breed improvement at all times.

So that no buyer at this sale will be disappointed with his purchase, every doubtful or plain bred animal in Ashbourne herd has been transferred to a commercial breeding establishment and the cattle to be sold in this sale are all regular, proven breeders of first class offspring except those too young to be proven breeders.

You may be sure of getting cattle of the highest type and best of breeding if you buy at this sale. Governor Shallenberger shows his confidence in the usefulness and healthfulness of these cattle by guaranteeing everything that is to be sold as fully as though this were not a dispersal sale and as though he intended to continue in the business and Governor Shallenberger's guarantee is good.

Many hundreds of Shorthorns have been sold from Ashbourne herd and there is not one dissatisfied customer. Put an Ashbourne bred bull or some Ashbourne bred females into your herd and you will add to its prestige while increasing its ability to produce breed improving Shorthorns.

WILL JOHNSON of The Shorthorn World
Sale Manager.

Terms and Conditions

Guarantee—In spite of the fact that this is a complete dispersal of my herd, I shall guarantee every animal in the manner as I would do if I were intending to continue in the pure bred business.

All cattle in this sale are guaranteed to pass a sixty day re-test for tuberculosis. Health certificates will be furnished where required to ship into any State or Territory.

Bulls are guaranteed to be breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned if in as good condition as when bought and if after a test in a good clean herd near Alma, he still fails to breed, the purchase money will be refunded.

All cows with calves at foot or heavy with calf are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of the sale are guaranteed to be breeders. Animals returned because they do not comply with guarantee will be at buyer's cost of transportation.

The herd is absolutely healthy in every respect and has been Federally accredited free from tuberculosis for more than ten years.

Terms—Cash unless otherwise arranged before the sale. Persons who are not personally known to me will please bring bank reference.

A. C. SHALLENBERGER,
Ashbourne Farms, Alma, Nebr.

The sale will be held at Ashbourne Farms, Alma, Nebraska, commencing promptly at one p. m., Wednesday, February 24, 1937. After the sale, stock may be left at the farm for a few days to accommodate purchasers without charge to them but settlements must be made on sale day. Stock will be loaded on cars free of charge but will be at buyer's risk as soon as bid off.

Certificates of registry with transfers entered and recorded in the buyers name will be furnished with each lot sold and an application will be furnished for recording every calf at foot and every calf carried in dam. We will furnish, also, shipping certificates of registry to enable purchasers to obtain half freight rates on less than carload shipments.

Alma is on the Burlington Railroad between St. Louis and Denver and on The Golden Rod Highway (U. S. No. 3) and U. S. Highway No. 83.

Bids may be sent in care of A. C. Shallenberger, Alma, Nebr., to the auctioneer, A. W. Thompson, Lincoln, Nebr.; to M. T. White, of Wallaces' Farmer; H. W. Biedermann of The Nebraska Farmer; John Miller of the Journal-Stockman; J. W. Johnson of the Kansas Farmer, or to Will Johnson of the Shorthorn World.

This is the best lot of cattle ever produced at Ashbourne Farm. No better have been produced anywhere.

WILL JOHNSON, Sale Manager,
3709 6th Ave., Sioux City, Iowa.
